

Carpathia Credit Union Limited presented with the North End Biz Award

Mayor Brian Bowman presented the Mayor's BIZ Awards to recognize and celebrate the contributions that Winnipeggers and businesses have made to enhance their local Business Improvement Zone.

North End Business Improvement Zone Award

Award recipient: Carpathia Credit Union

Carpathia Credit Union is a longstanding member of the North End BIZ. Its building has always been nicely maintained and the recent green glow outlining the building is a distinct reminder of community pride.

Carpathia Credit Union serves an important role in the community, as it is the only financial institution in the North End BIZ Zone. In addition to meeting banking needs in the area, Carpathia contributes to neighborhood programs and activities, including daycares, schools, neighborhood clean-ups, and community groups.

From humble beginnings in 1940, Carpathia Credit Union remains to be a central hub for a diversity of clients in the North End. The business focuses on providing old fashioned service, but they also have enriched service offerings with modern technology. Carpathia is a proud and exemplary corporate citizen of the North End BIZ.
